Blacksheep RC Modelers

November 2025 Meeting Minutes

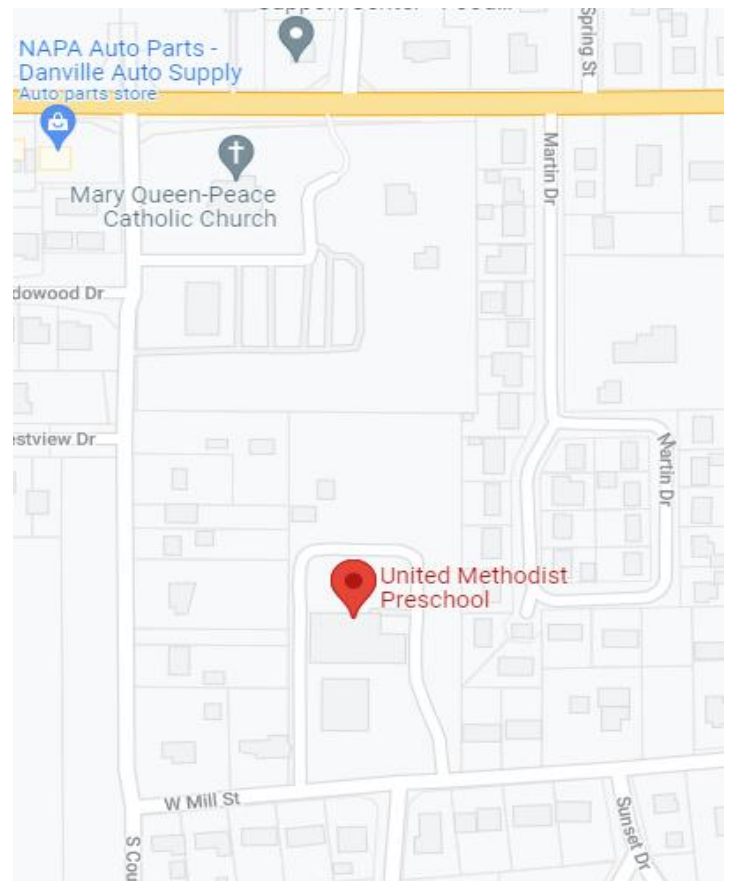

John Louden opened the meeting with 12 members present.

Rick Gilmore gave the treasury report and stated that we will be purchasing treated lumber for Ron Thompson to use to build new flight stands.

Paul Wycoff reported we have 102 members.

John Louden has been responsible for our airfield camera and he indicated that we have been paying \$20 per month for internet access to the camera. We wanted to add another camera for a different view of the field and our existing carrier wanted \$40 for the 2 cameras. John shopped around and found another carrier for \$40 per month with unlimited data so he switched carriers. Since we have unlimited data, John purchased a weather station to be located at the field. The weather station can be viewed on <https://www.wunderground.com/dashboard/pws/KINDANVI73>. John indicated that he had invested \$250 for all the equipment. Rick Gilmore proposed that the club reimburse John and it was seconded by Scott Back and unanimously approved by the members.

We traditionally have had a raffle at our Christmas party, but this year we are running low on funds. It was discussed whether or not to hold a raffle this year. Steve Haughey indicated he had a Christen Eagle 90 in the box that he is willing to

Funnies

"I'll do loops, wingovers, slow rolls, Immelmans, lazy eights, spins and snap rolls . . . if and when I can get this engine started."

ME: I'm not paying \$30 for this shirt
